

LA AVENTURA: CAMINO DEL ROCÍO 2ºESO

Stage 1. God, person and religion

Research 2: Group meeting

Surnames	Name

We are going to analyze the positive qualities people have. In groups made up of up to 4 people, each student will give three positive qualities of a friend.

Student	Quality 1	Quality 2	Quality 3

Next, check on which qualities you have agreed. If you have not agreed on at least three of them, you should come to an agreement about the three most important ones.
